

Who We Are

Geneva Global is a trusted advisor and experienced set of hands to foundations, families, collaboratives, individuals, and other actors on a mission to build a better world.

Established nearly three decades ago with a focus on global development, we've helped clients address some of the world's most pressing issues. **We take our role as trusted advisors as seriously as our role as program implementors. We walk the walk.**

We invite you to experience our team's first-class service with solutions designed for you, strategy informed by experience doing the work, and a team of experts who truly believe in the power of philanthropy.
